EDITION 1 JUNE 2025

WELCOME TO MONTENEGRO

2

There's never been a better time to be in Montenegro. The roads are widening, and everywhere you look new restaurants and hotels are opening, replete with great food and wine. Stop by Crush Wine Station for an aperitif and be sure to check out the new seasonal menu and fresh-grilled fish at Bokka Modern in Porto Montenegro.

That said, you don't have to go out to drink well. With close to a thousand references and a cellar capacity of over 250,000 bottles, we look forward to assisting you with the wines, spirits and other drinks that you need on board or at your home.

Our selection of the best local and regional wines continues to expand, chosen by our experts as the best examples of their grape or style. We are also very pleased to offer a selection of the very best regional craft beer and our terrific new non-alcoholic costal distillate, Pentire (made in beautiful Cornwall, England).

One important thing to know about us is that we buy all of our wines directly from the producer. Never second hand, never at auction, and never from someone's grandmother's estate ... however compelling some of those wines may seem. This way, we can absolutely assure you of the provenance and quality of every wine that you select from us.

DELIVERY SIMPLICITY

Whether you are on land or on the water, delivery is fast, simple and easy. There's no need for any documentation or customs inspections.

You can have any quantities you want, at any time you want, and in any location that is convenient for you. So please just let us know what you want — and where you want it — and we will bring your liquid refreshment.

NEED HELP CHOOSING SOMETHING?

Don't hesitate to ring or email us. Our founder, Mike, has been collecting (and drinking) wine for ages, and holds the WSET Diploma in wine and spirits. He'd be delighted to help you find great pairings for your menu, choose some interesting local wines or select a brilliant alternative should a specific request be unavailable.

OUR DRINKS COLLECTION

We are once again pleased to offer a simplified catalogue so that choosing your drinks is easy. The wines are organized primarily by region, though with Champagne, sparkling wines and rosé listed at the beginning.

Typically, if a wine is not listed here, it is probably not available in Montenegro. That's less true with spirits, though, and sometimes even with wine we get lucky. So please don't hesitate to ask if you're looking for something specific that is not in these pages.

Coravin Wine Preservation System	Vol.	ABV	€ / 6-pack
----------------------------------	------	-----	------------

Coravin is an easy-use tool that allows small amounts of wine to be poured without requiring you to open a bottle conventionally. The Coravin Timeless system uses a needle that is specially designed to gently pierce through natural or agglomerated corks without displacing cork material. This allows you to pour wine without opening the bottle – meaning you protect the wine from oxygen (which causes oxidation) and keeps wine fresh. Once the needle is removed, the cork simply expands back to its normal shape – sealing the bottle for weeks, months, even years. It's a terrific way to enjoy the same bottle over a long period of time, and to test a wine before opening it.

HOW TO ORDER

The best option is just to send us an email. You can also call us, or even fill out the order form located on the opposite page of this catalogue and either scan / photo / email it to us.

Mike and Boško can both be reached via text and iPhone message, WhatsApp and even Viber, though please note that Viber is not always reliable in Montenegro.

DELIVERY

Delivery is, of course, free with a minimum order of €50. Otherwise, there may be a small fee. We deliver to any of the marinas in Montenegro, including:

- Dukley Marina (Budva)
- Luštica Bay
- Port of Bar
- Port of Kotor
- Porto Montenegro (Tivat)
- Portonovi (Herceg Novi)

We can deliver to any villa on the coast and in most parts of the interior, including Cetinje, Podgorica and Nikšić. We can also deliver to your tender, as long as there is road access. Please note that some marinas have restricted delivery hours (we're looking at you, Budva) but we can always work something out.

AVAILABILITY, RETURNS & CORKED BOTTLES

All wines are subject to availability. This list is accurate at the date of publication, but some wines may sell out or be replaced over the course of the summer. We regularly update the electronic version of this list, so please ask us for a revised copy if necessary.

We regret that, once delivered, we cannot accept returns or refunds. However, if a wine is found to be corked, please re-seal the bottle with the original cork and return it to us as soon as possible for testing. We will of course replace or refund any legitimately corked bottle.

PAYMENT

All prices are in Euros and include any applicable taxes. Unless alternate arrangements have been made, payment must be received on or before delivery. We are happy to accept Visa or Mastercard but, sadly, not American Express. If you prefer to settle by cash, please let us know in advance so that we can bring exact change.

... AND OF COURSE

Please enjoy alcohol responsibly. Never drink and drive (even boats)!
